MEMORANDUM FOR: DD/P Publications Control Group

ATTENTION :

25X1

SUBJECT : Request for One Set of Agency Field Regulations

1. It is requested that one set of Field Regulations be authorized for Development Projects Division. We will also need one more copy of any new regulations for the field. Justification for the request is based on the fact that effective 1 January, this division will activate a new station to be known as

25X1

2. Due to the fact that the project requiring the regulations is of extremely high sensitivity, the location of the site is limited to a minimum number of people.

25X1

3. Expedient handling of this request would be greatly appreciated.
